**DISCUSSION**

**D1. School Outreach - Conservation Plan (Presenter Kim Domingo)**

GM Domingo asked the committee about their interest and ideas for promoting water conservation in our community, such as the elementary school calendar art contest in the upcoming fall time.

Director Webb provided information on the calendar project from several years ago and thought it would be again a successful way to promote conservation in our community by partnering with the local elementary schools. He will also reach out to the new local industry for sponsorships to pay for the program and report back to the committee.

**D2. Community Survey (Presenter Kim Domingo)**

The committee was asked their thoughts on using an on line customer survey such as Survey Monkey to connect with our customers.

Both Director's Webb and Hernandez feel our community would like their voices heard. GM Domingo will reach out to the District's communication team to formulate survey questions.
