None.

DISCUSSION

D1. ADU Policy (Presenter Kim Domingo)

GM Domingo provided an update on the policy, explaining that there have been no new advances made.

Dir Webb asked if there were any costs attached yet to the planning and building of ADUs. GM Domingo explained that those costs are still unknown since no developers have been building ADUs and RCSD is not notified by the county when individuals are granted permits to build ADUs. He suggested tasking AGM Stewart to request a list of ADU permits granted by the county over the last two years and developing a method of notification from the county when new ADU permits are granted.

D2. Committee Policy Revisit (Presenter Kim Domingo)

This item is related to discussions in December to bring back the Engineering committee. GM Domingo explained that he didn't feel there was a need for the committee and that if the need arises, an Ad Hoc committee could be formed.

Dir Webb requested that GM Domingo follow up on the item with Pres Washington directly and bring it back to the Policy Committee.
